31st October, 2003

Dear Member,

Vide our letter dated 27th November, 1999 we had forwarded the copy of letter from NOIDA towards land cost and also refer our letter for fourth instalment of cost of land dated 20th April, 2001 wherein we had forwarded the revised fund flow chart for cost of land. In terms of the said letter, the ninth instalment, out of the total of ten instalments, towards the land cost falls due on 01st December, 2003.

Members are requested to pay the following amount against each category as given below :

	Cat "A"	Cat "B"	Cat "C"
Ninth instalment of the cost of land	26,860.00	19,585.00	13,057.00

The above amount towards the ninth instalment of cost of land is requested to be paid on or before **20th November, 2003**. Timely payment of the amount towards next instalment of land is solicited for avoiding huge penal interest to be levied by NOIDA, which is 18% compounded every half yearly. It is intimated that no extension to the above date for payment would be granted, since Society has to compulsorily pay the instalment before the due date, i.e. 01st December, 2003 to avoid the huge penal interest or else the burden of penal interest would levied from the defaulting members.

The above payment may please be made by way of a crossed cheque in favour of "PMO Cooperative Housing Society Limited".

This issues with the approval of the President.

Thanking you,

A J H
